4. Notes to the report

1. **Amount received.** The order record shows ₱1,079.00 because the system added a ₱79.00 delivery fee. No delivery took place, so the amount actually received, ₱1,000.00, is used.
2. **Cost of item sold.** The phone was the seller's own unused device, so its cost is recorded as ₱0.00.
3. **Platform fee.** ReFon charges no fee during the pilot. At the proposed 3% fee, ReFon would have earned ₱30.00 and the seller ₱970.00.

5. Certification

We certify that the information in this report is true and correct, based on ReFon's order records for October 20, 2026.
